

MASTER SPLIT AGREEMENT

Free Template

When you're preparing to distribute a song together with other unsigned musicians, each contributing audio work or production/label work, it's essential that you agree on master royalty shares (or "splits") each contributor will receive from the exploitation of your song.

This template splitsheet provides an easy-to-use agreement, so that every contributor is on the same page once your song is released and starts earning the agreed royalties.

MASTER SPLIT AGREEMENT

Dated as of:

This is to confirm that we, the contributors of the Master Sound Recording listed below (the "Master"), hereby agree between ourselves to the following master sound recording divisions:

Master Title:
 Primary Artist:
 Feature Artist:
